Tanya

My Cybertown is TanyaCity. I have a big house and a lot of friends. There are two shopping malls next to my house, with a lot of great stores. There's a museum and a park in front of the library, and there are some big houses behind my school. TanyaCity is a beautiful town.

Ben

My Cybertown is Fabville. It's really cool. I ♥ sports, and Fabville has a sports complex and three parks. My house is next to a big library. In the town square, there is a bank and a small post office, and there's a very big hospital. Next to the hospital there's a great café. In Fabville there aren't any schools!

Sanjay

Garboton is my Cybertown. It has very good connections—there's a train station and a bus station. There's a town square in Garboton, and there are some stores, but there isn't a shopping mall. There isn't a museum or a library, but there's a big police station. It's my police station! I'm the Chief of Police in Garboton!
