Lesson One Story

1 Listen and read. What did the people find?

1 **Kate** Look! What's going on over there?
Man People found the ruins of an old town when they were building a new shopping mall.
Fin Wow! Let's go and have a look.

2 **Ed** Look. There are archaeologists here. They've found pots and coins.
Kate That looks like a piece of jewelry, doesn't it? It's beautiful.

3 **Fin** This is wonderful, isn't it?
Archeologist Are you interested in the history of the town?
Libby We are now! Will you come to our club and tell us all about it?

4 A few days later ... **Archeologist** Everything we find is helpful, because it tells us something about how people lived in the past.
Ed But how can these things tell you anything about people?

5 **Archeologist** Well, these are pieces of pots. We found lots of these, so we know that people used pots in their homes.

6 **Ed** That's amazing. You can learn a lot about people from just a few things ... I think I have an idea. I'll tell you at the next meeting.

2 Listen to the story again and repeat. Act.

3 Read again and write the names. Libby Fin archeologist Ed

Working with words

We add **-ful** to some nouns to make adjectives.

noun	wonder	cheer	help	care	play
adjective	wonderful	cheerful	helpful	careful	playful

When a noun ends in a consonant + **-y**, remove the **-y** and add **-iful**.
